INFORMATION ABOUT THE 911 SERVICE FEE

A 911 Service Fee is included with your tax bill. Here are answers to some frequently asked questions:

What is the 911 Service Fee?

This is an annual fee of \$45.00 charged to each occupied individual residential unit and each occupied individual commercial unit located upon each parcel of property. This fee is to be paid when you pay your taxes. The fee is due even if your property is exempt from taxes.

What is the purpose of the 911 service fee?

This fee pays for 911 emergency dispatch for police, fire, and emergency medical services and keeps Campbell County safe.

Are there any exceptions to this fee?

There is one exception:

- *If a unit is vacant on November 1, 2015, no fee is due for that unit. You may subtract \$45.00 from the amount due for that property.*

What if I have been charged for an incorrect number of units?

If you believe that you have been charged for an incorrect number of units on your property, you may file an appeal. The appeals form is available at the website listed below or at County offices.
