Services of the Sheriff's Office

The Campbell County Sheriff's Office performs a variety of services, some of those services performed in the Campbell County Justice Center and some performed in our administrative offices located in the Campbell County Administration Building and annex building in Alexandria.

The Sheriff's Office provides courthouse security at the Campbell County Justice Center where Court Security Officers and Deputies are stationed at the entrance to the Justice Center where visitors must pass through a security and safety checkpoint before proceeding on to the courtrooms and offices located in the building. Deputies and Court Security Officers are present for all court proceedings ranging from arraignments to trials, Family Court hearings and more.

Deputies and Court Security Officers are also responsible for transporting prisoners to and from court as well as from detention centers in other jurisdictions to the Campbell County Detention Center, and to institutions such as the Eastern Kentucky Mental Health Hospital and the Kentucky Correctional Psychiatric Center. During the month of March Deputies and CSO's made 35 trips within the state of Kentucky, transporting approximately 62 prisoners. Seven trips were made transporting prisoners from facilities outside of Kentucky to the Campbell County Justice Center and the Campbell County Detention Center. During the month of March Sheriff's Deputies traveled approximately 1,769 miles within the state of Kentucky and 514 miles outside of the state transporting prisoners. Prisoner transports within the state of Kentucky were made from the counties of Boone, Boyle, Fleming, Franklin, Grayson, Jefferson, Kenton, Mason, Madison, Scott, and Oldham. Transports were also made in the state of Ohio to the cities of Batavia, Columbus, Dayton, and Lebanon. A trip was also made to Lawrenceburg, Indiana. Please note that additional trips may have been made during the month and not accounted for as there are several counties such as Kenton County in Kentucky and Hamilton County in Ohio that the Sheriff's Office transports prisoners from on a daily or near daily and as needed basis. Those trips are not always scheduled and therefore not always counted into monthly totals.

The Sheriff's Office also serves Warrants and issues Citations. During the month of March the Sheriff's Office served fourteen Warrants and wrote one Citation.

Services performed in the administrative offices of the Sheriff's Office include collection of property taxes; processing and service of legal documents to be served, these papers include civil and criminal summonses, subpoenas, evictions and various other document types; Carrying Concealed Deadly Weapons (CCDW) Permits; Fingerprinting; and Vehicle Inspections. November 1st began the 2018 County Property Tax collection period in Campbell County. During the month of March the Sheriff's Office collected and processed \$477,543.85 in county and state taxes, \$356,323.48 in Franchise Corporation Taxes, and \$50,960.00 in the 911 Service Fees. This is a large undertaking for the staff in the office as all of the tax bills are processed by hand by the staff whether the taxes be received via mail, in person, or through third party escrow account process companies. Sheriff's Office employees open and review all incoming tax bills to sort out bills paid correctly from bills paid

incorrectly—i.e. written out for the wrong amount or not signed. Bills paid correctly are then keyed into a processing software for payment, all tax payment drawers are then hand balanced by clerks to balance to the exact amount of the taxes processed into that drawer. Bills paid incorrectly are researched in an attempt to determine why the property owner may have adjusted their tax bill, for example if a residence was vacant they may have subtracted the 911 fee. If the adjustment was made correctly the bill may then be processed. If the bill was paid incorrectly or not signed a form is filled out notifying the property owner of the problem with the bill, copies are made of the tax bill, the form, and the check for office records and the originals including the check are mailed to the property owner. Online payments and credit card payments are reviewed and balanced separately by the Assistant Finance Director. The Finance Director for the Sheriff's Office handles many of the more involved tasks during the tax collection period such as working with banks and escrow companies to receive and process bulk payments, processing franchise taxes, processing refunds, and managing disbursements to the various taxing districts.

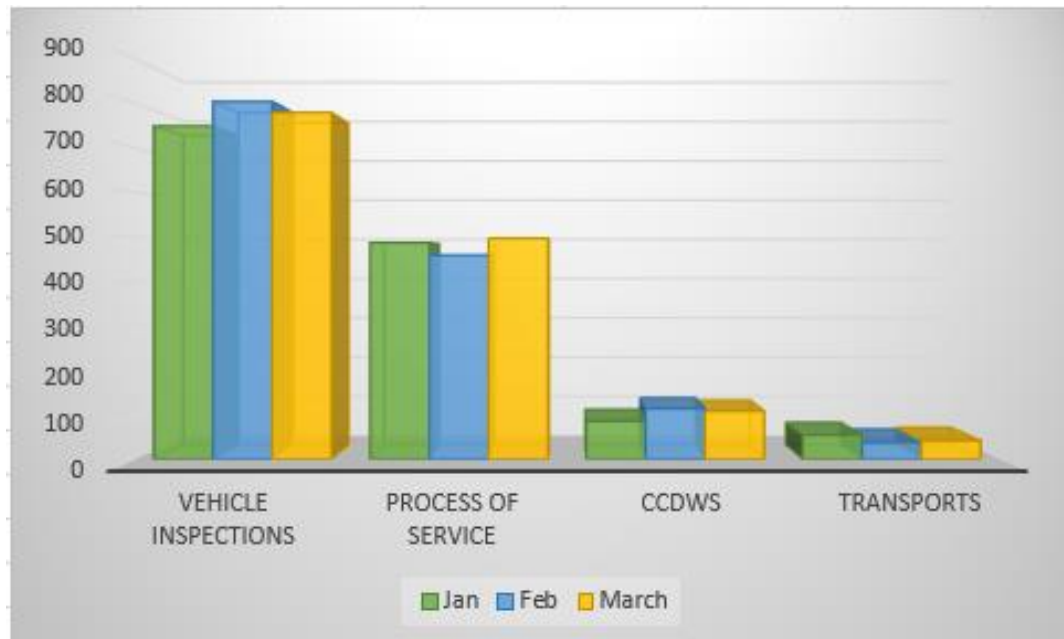

Also during the month of March the Campbell County Sheriff's Office administrative staff continued with their daily tasks that are performed throughout the year and processed 497 papers; processed 108 CCDW applications, renewals, requests for duplicate licenses, or changes of information; provided fingerprinting for 23 individuals; and performed 799 vehicle inspections both at Sheriff's Office locations and off site.

Training

During the month of March Sgt. Nick Chaplin, Deputy George Schreiner, and Court Security Officers Ed Harber and Anna Weinel attended a Court Security In-Service Training through the Department of Criminal Justice Training Center. This training was a forty hour course held at the Boone County Sheriff's Office. The training provides Court Security Officers (CSOs) with material relevant to their work in a court setting. Topics included ethics, security equipment for courts, citation writing, defensive tactics updates, and drug and security threat group recognition.

Also during the month of March Sgt. Mark Grisik and Deputy Jim McKenna participated in the Northern Kentucky Special Operations Group (SWAT) monthly training. This month's training involved entry and room clearing techniques, tactical communication while clearing buildings, and firing range training.
